

Kerry Consulting Group, Inc. Selected to Assist Alpine School District (Utah) with Development and Evaluation of Student Information System RFP

Pomona, CA / September 19, 2008 – Kerry Consulting Group, Inc. (KCG) has been selected by the Alpine School District (ASD) in American Fork, Utah to assist in the development and evaluation of a student information system request for proposals (RFP).

The district has already gathered requirements for the functionality of the new system and will use KCG's guidance and process throughout the RFP cycle.

"Our relationship with ASD provides an excellent example of our ability to respond quickly to our partner's needs and provide services tailored to each partners' unique challenges and opportunities," said Randy Langton, KCG's Chief Operating Officer.

The district's RFP should be released in October, 2008.

About Kerry Consulting Group, Inc.

Kerry Consulting Group was founded in 1985 in Claremont, California and provides management and technology consulting services to public agencies across the United States. These services include technology strategic planning, request for proposal development, as well as evaluation, organizational audits, and interim senior technology management.

Kerry Consulting Group is headquartered in Pomona, California and maintains regional offices in Houston, Texas and St. Louis, Missouri.

About the Alpine School District
