

Kerry Consulting Group, Inc. Selected to Perform Telephone System Needs Assessment for the City of Hermosa Beach, California

Pomona, CA – (September 2, 2008) – Kerry Consulting Group, Inc., KCG, has been selected by the City of Hermosa Beach, California to perform a telephone system Needs Assessment.

In early September, a KCG network and infrastructure engineer will assess the current state of the City's existing telephone system and develop strategic options for the City. KCG will work with the City of Hermosa Beach to select an option that best meets the City's functional needs and is financially prudent.

In 2001, KCG assisted the City of Hermosa Beach in the development of its Strategic Technology Plan. In 2002, KCG assisted the City in the development of a Request for Proposals for network equipment and assisted in the design of the City's network.

"Hermosa Beach is an excellent example of how our goal of maintaining strategic, not always financial, relationships with our partners manifests itself." said Randy Langton, KCG's Chief Operating Officer. He added, "While we last had a financial relationship with the City in 2002, we maintained our relationship over the years. This enables the City to benefit from our insights and engage us when it is in their best interest to do so."
